

**INTRODUCTION FOR KAREN CORTELL REISMAN**  
*pronounced like Karen Core-Tell Rice-Men*

**Karen's "Letters From Einstein" Keynote**

- Could you use some tips on overcoming obstacles with creativity?
- Do you wish you could find the humor when cash flow isn't flowing?
- Are you ready for a message about resilience, hope and brassieres?!

If you answered yes to any of those questions, you are in the right place!

Our speaker, author of three books, has spoken across North America to professionals in a variety of industries on how to speak for yourself and about her cousin, Albert Einstein. She writes a blog, speaks on a radio show, and is the immediate Past President of the National Speakers Association - North Texas Chapter.

When she is not speaking or coaching, she can be found on weekends collecting eggs from four cute chickens at Star Ranch - a joint venture with her husband and two children.

Please join me in welcoming, from Dallas, Texas -- speaker, author and chocolate eater -
