KAREN'S SPEAK FOR YOURSELF PRESENTATIONS

- Have you ever wanted to give a speech that's entertaining, memorable and gets you business?
- Do you wish you could think on your feet and sound credible and organized in an impromptu situation?
- Could you use some tips on how to prepare your comments without spending tons of time and with minimal nerves?

If you answered yes to any of those questions, you are in the right place!

Our speaker, author of three books, teaches corporate and association audiences how to Speak For Yourself. She's spoken in 35 states, Canada, Germany and China. She writes a blog, speaks on a radio show, and is the immediate Past President of the National Speakers Association - North Texas Chapter.

Our speaker has one bachelors degree, one masters degree, one cow named Bliss, one daughter, one son, and one husband.

When she is not keynoting about her cousin Albert Einstein, or coaching and speaking to executives on how to communicate, she can be found on weekends collecting eggs from four cute chickens at Star Ranch - a joint venture with her husband and two children.

Please join me in welcoming, from Dallas, Texas -- speaker, author and chocolate eater... Karen Cortell Reisman!
