Since 1992 Karen Cortell Reisman, M.S. has taught corporate and association audiences how to communicate, sell, and thrive.

Across North America and Europe her audiences have listened, laughed, and learned.

Karen speaks about how to **Speak For Yourself®** so that others listen and trust you.

SPEAK *for Yourself*

Speak For Yourself® programs and coaching will teach you how to:

- Sell yourself
- Communicate your vision
- Promote your product
- Not throw up during your million dollar presentation!

Letters From Einstein An Equation for Change

Karen intertwines personal letters written by Einstein, her cousin, in an inspiring keynote about hope, resilience and brassieres.

You will learn how to:

- Use "Einstein-type" thinking to increase productivity
- Continue to not understand what $E=MC^2$ really means
- Overcome obstacles and transitions with hope, humor, and dignity
